

KONICA MINOLTA

Unless otherwise agreed, the following supply shipping and handling fees will apply for each Konica Minolta branded unit on each periodic invoice covered under a maintenance contract regardless of whether supplies are shipped in any particular period. This is done to average out the total estimated supply shipping and handling fees over the duration of the contract.

Konica Minolta bizhub Office and Comparable			
Segment	Print Speed (pages per minute)	Models (including but not limited to)	Standard Monthly Fee
