## KEY BENEFITS

**FAST:** Fast Track check-in allows visitors and guests to check in quickly using appointment codes or registered visitor IDs. Returning visitors can use QR Codes to “Scan-in”.

**SMART:** ALICE remembers information from a visitor’s previous visits, making the check-in process easier and quicker for return visitors.

**SECURE:** ALICE supports scanning and validating government-issued IDs and the option to perform real-time searches against screening databases.

**CUSTOMIZABLE:** Custom fields, custom flows, induction screens, and more can be configured to meet your school’s specific check-in process.
